## **HEALTH, SAFETY & EDUCATION**

*Committee Chairperson – Elaine Wolters*

Thank you to all Veterans for serving our country and for their sacrifices to preserve our freedom.

The American Red Cross will be having a blood drive on Monday November 17th at the Maria Stein American Legion from 12:00 PM – 6:00 PM. Please call 1-800-733-2767 to make an appointment.

November is National Diabetes Month. Diabetes is one of the leading causes of disability and death in the United States. One in 12 Americans has diabetes, that's more than 25 million people. Several million more Americans are at risk of developing type 2 diabetes. If you are overweight, have high blood pressure, or are age 45 or older, you are at higher risk of developing type 2 diabetes. The good news is that people who are at high risk for developing type 2 diabetes can lower their risk by more than half if they make healthy changes. To help prevent type 2 diabetes:

- \*Monitor your blood pressure and cholesterol
- \*Watch your weight
- \*Eat healthy
- \*Get more active
- \*Get regular checkups by your physician

To get more information on diabetes, ask your physician about your diabetes risk and what you can do to preserve your good health.

## **AGRICULTURAL DEVELOPMENT**

*Committee Chairperson – Mark Hardesty*

The Ag Boosters continue to explore ideas for the new building project. Representatives from architectural firm Garmann/Miller have attended the last two meetings to provide guidance. All are welcome at the monthly Ag Boosters meeting which is held at 8pm on the third Monday of the month in the Marion Local Ag Ed classroom. The next meeting will be held on November 17, 2014.

Ag Solutions did not conduct a meeting in November since it is a busy time of year for the area farmers finishing up the harvest season. The MCDO continues to coordinate the dissemination of relevant information through emails.

### **OLD BUSINESS:**

Al Lochtefeld and Jim Keller finalized a recommendation letter to Midwest Electric showing the MCDO's support for the Chickasaw Water Project. The letter will hopefully assist in driving the external resources needed for funding approval and to keep the project moving.
